

Open Studios North Fife is an award winning event

Open Studios North Fife is only possible because of the hard work of volunteer committee members, Open Studios participants and those who give their services at special rates in order to support us. We are particularly indebted to designer Richard Budd. Involved from year one, he has created our brand, puts up with numerous changes of mind and, we believe, contributes one of the most outstanding pieces of artwork of the event – the brochure!

We are also very grateful to Bob Burns at Take One Media for his generosity and support for Open Studios North Fife and to Donald at Beaconweb for continued support of our website.

**Open Studios
North Fife 2021 will be
Sat 1st, Sun 2nd and
Mon 3rd May 2021**

Free entry to 79 artists, makers and designers who will welcome you to visit them in their work spaces in the north of Fife over the first bank holiday weekend in May.

15th
year
ANNIVERSARY

This is the 15th year of Open Studios North Fife. From award winning ceramicists and painters to jewellers, weavers and textile artists, and those working in glass, metal, wood, photography and pencil – we have them all.

Open Studios North Fife was set up in 2005 to promote the wealth of talent of professional artists and makers in the area. We started with 14 people and now number over 70.

Keep this brochure for future reference. Many of the artists welcome visits to their studios throughout the year.

See details of extended and other opening times in individual entries.

As artists and craftspeople we manage our studios and our careers in lots of different ways. Some of us sell our work close to home and others also supply international markets. Some make multiples to specific designs while others are commissioned for

bespoke pieces or create one-off paintings and sculpture.

The scale we work on varies too, ranging from small intimate pieces to large architectural installations. But what we all have in common is the strong drive to make our own work and a real passion for the materials we use.

We hope you find visiting our studios inspiring and that it will give you an interesting insight into our unique way of life.

You'll find clusters of studios only minutes apart and single studios in more rural locations worth going to for the views as well as the work on show! We have provided maps and directions for each studio but if you are not familiar with the area you might want to bring a road map.

You may notice that some other groups and individuals choose to hold exhibitions on the same weekend as Open Studios North Fife and sometimes use similar signage. You will be able to identify open

studio artists who have paid the participation fee which funds this brochure and the extensive advertising of this event by the large

blue number boards, corresponding to the studio numbers.

Open Studios North Fife is entirely self-funding. To help cover the cost of our event we are running a raffle. Look out for participating studios to have the opportunity of winning a prize.

We hope you enjoy visiting lots of us!

Yvonne Magee¹

Yvonne's lively, colourful abstract paintings, focused on light and movement, reflect her subjective experience of the beautiful East Fife coastline. Her work is in private and corporate collections in the UK, Australia, France, Asia and the US. Giclee prints, cards and silk scarves based on the paintings are also available.

17 North Street,
St Andrews, Fife KY16 9PW

Telephone: 01334 470 446
Email: info@yvonnemagee.com
www.yvonnemagee.com

Other opening times: *Open by appointment year round.*

Directions: 17 North Street is in the heart of the preservation district, near the east end of North Street, just a few doors short of the cathedral ruins, on the left (north) side of the street as you face the cathedral. Please ring the doorbell.

Access: There is no wheelchair access, as there is a flight of stairs. There are also two cats in residence, so if you are allergic, be aware.

Points of Interest: Cafes abound! Within moments visitors can also walk from the studio to the ancient cathedral, castle, and other interesting spots in the preservation district, including the Preservation Trust Museum and garden, found across the street. The harbour and East Sands beaches are moments away by foot.

This year we are fortunate again to be able to offer a bursary generously sponsored by the Howe of Fife Rotary Club. The money is awarded to a new participant to help with membership costs. This year our award winner is Lola Morgan of Falkand.
