A warm welcome to our Open Studios event!

This is a short guide to the event. Full details about all the participants plus directions to their studios and maps can be found on our website www.openstudiosfife.co.uk

Our artists will welcome you in to their studios and look forward to talking with you about their work. Feel free to ask questions about their creative practices and there will be lots of work for sale too. Many artists are enhancing their live studio event by also offering a digital experience. Please stay up to date through our social media pages. Details on our website.

It is very important to check each artists' entry on our website before visiting to make sure they are open, as sometimes due to unforeseen circumstances things can change at short notice. A lot of our artists have also provided additional points of interest near their studios, which should add to your enjoyment of the event.

If you are interested in taking part in Open Studios North Fife in the future, please visit the *join us* page on our website where information can be found.

Thank you to our advertisers who support our event – details on our website. We also thank the Howe of Fife Rotary for their continual sponsorship of our Bursary Award and Cunningham Grant Chartered Accountants.

With thanks to Richard Budd Design and Multiprint.
